

Material Safety Data Sheet (MSDS)

HTP Wick

Date Prepared: 2/25/09

Emergency Telephone: 866-394-2548

Main Line: 973-249-2970

Supercedes: None

Section 1. – Identity

Product Name: HTP

Trade Name: HTP

Fiber Material Family: Cellulose

Generic name: Candle Wick

Section 2. – Hazardous Ingredients

All components of this product are considered non-hazardous under OSHA 1910.1200

Section 3. – Physical and Chemical Characteristics

HMIS Ratings: **Health:** 0 **Flammability:** 1 **Reactivity:** 0

Under normal conditions of use, this product is not considered to be hazardous according to regulatory guidelines.

Physical state: Wax coated braid

Physical Appearance: White to off white

Section 4. – Fire & Explosion Hazard

Flammable: Yes Extinguishing Method: Chemical or foam media appropriate to surrounding fire

Emergency First Aid: Follow procedures for burns

Inhalation: This material does not present a hazard if inhaled. Remove individual to fresh air after airborne exposure as a precaution

Eyes: Flush thoroughly with water. Seek medical attention if irritation occurs.

Skin Contact: In case of contact with hot product, flush skin with cold water elevates heat. Get medical attention immediately

Ingestion: No hazard in normal industrial use. Do not induce vomiting. Seek medical attention if discomfort occurs.

Section 5. – Reactivity Data

Chemical Stability: Stable

Conditions to avoid: Extreme heat and high energy source of ignition.

Incompatibility: Avoid strong oxidizers and water

Reactivity: Disintegration when burned

Hazardous Combustion Products: Carbon monoxide and carbon dioxide

Clean up: No special clean up considerations. Ensure clean up measures are in compliance to OSHA 29 CFR 1910.1200

Section 6. – Toxicological Properties

Handling: No Special handling
Storage: Stow away from boilers, keep dry

Section 7. – Exposure Control and personal protection

Engineering Controls: No exposure control limits exist for this product and none are required under normal conditions.

Respiratory Tract: None required under normal use of this product.

Skin: Not normally considered a skin hazard.

Section 8. – Transportation Information

US Surface freight classification: Cotton Candle Wicking

Precautions to be taken in handling and storage: Keep dry

Section 9. – Additional information

Do not mix material with flammable liquids.
